

12oz (400 ml) Flat Template

Viewing Space : This is your live print area. All critical text and images need to be within this area.

Printing Area : This is the area that you need to place your artwork and background colours within. Please remove if our background colour will be white

Knife Line : Knife Line : This is the line along which the template will be cut out and used to produce your cup.

ARTWORK NOTE

- ✓ PDF and AI are our preferred file format.
- ✓ All full colour tone designs should be created using the CMYK colour mode.
- ✓ All line and solid designs should be produced as spot colours and PMS colour numbers supplied.
- ✓ Supply all images as linked files.
- ✓ Art should be warped/curved to our supplied die line.
- ✓ Use the on-line tool within your design software to convert all text portions of the artwork to outlines to remove any font dependencies.

Please check all details carefully!

- All spelling and punctuation
- All images and graphics
- All layout and spacing
- All illustrations and effects
- All information and details

NO responsibility is accepted for errors passed by the client, Please indicate clearly any changes required and sign when the artwork is approved. We are **NOT** liable for any mistakes after the client has signed this form.
